Tour Summary

Located next door to Universal Studios Orlando, Islands of Adventure is the world's most technologically advanced theme park. Explore your childhood fantasies in a whole new way as you battle infamous villains in the Amazing Adventures of Spiderman, challenge Jurassic Park or take a wild ride through the Cat in the Hat. A former employee will become your personal guide, teaching you to navigate the park like a pro. You will learn to juggle the needs of family members of all ages, minimize your costs and maximize your enjoyment, while discovering insider secrets about this unique park. This tour is cross-generational: to focus on young children, try the "Kids' Trip to Universal's Islands of Adventure."

Introduction

Located just next door to Universal Studios Orlando, Universal's Islands of Adventure is a radical departure from its neighbor's movie theme.

At Islands of Adventure, you will enter the world of fantasy.

Although the park has developed an unfair reputation as appropriate only for thrill-seeking teens, you will quickly learn that this is not the case.

From such top attractions as The Amazing Adventures of Spider-Man,

the Incredible Hulk roller coaster and

the Jurassic Park River Adventure to

the children's delights of Seuss Landing,

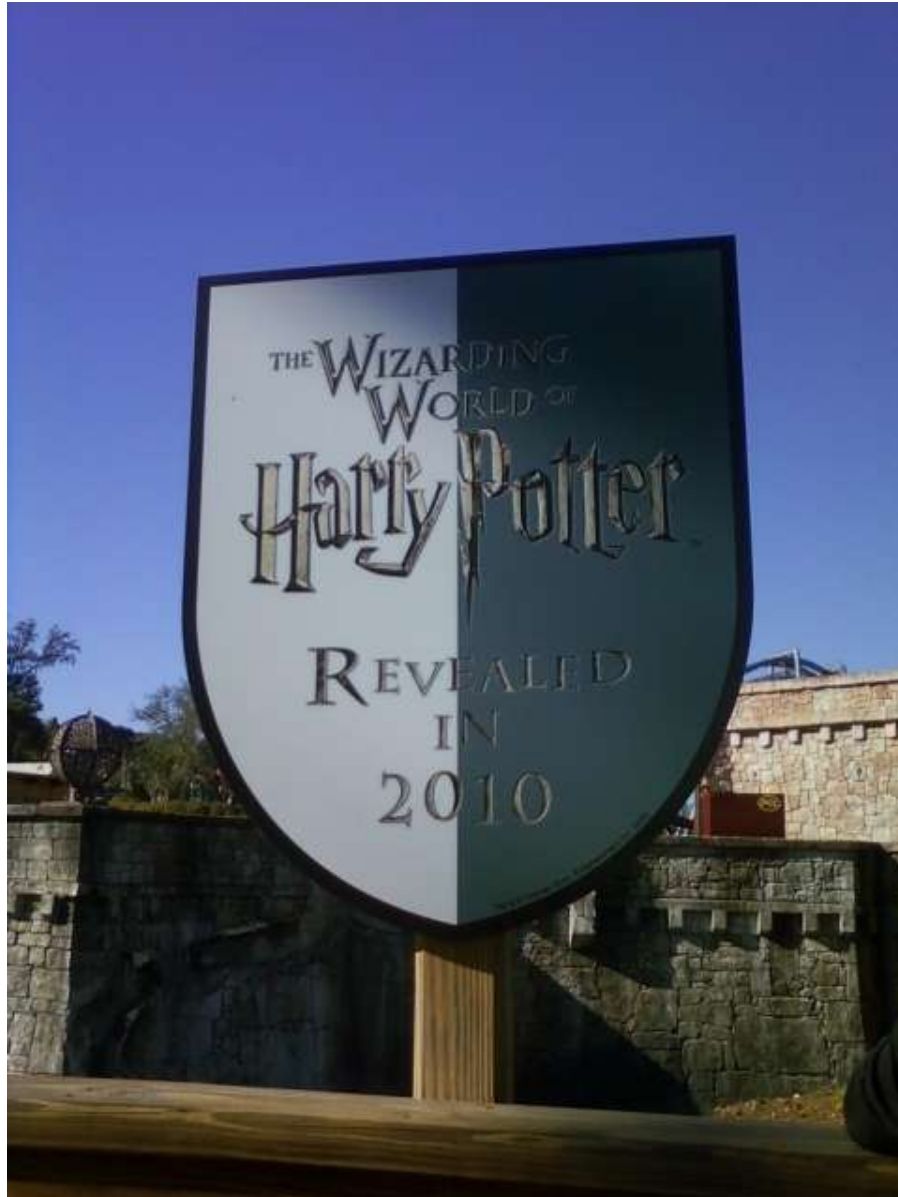

Camp Jurassic and the Pteranodon Flyers, Islands of Adventure offers excitement for everyone in the family.

In this tour, a former employee will provide tips and tricks for saving money, choosing the attractions that are right for your kids and shortening your wait times.

Along the way, you will learn a bit about the history and development of the world's most technologically advanced theme park,

as well as some of the behind the scenes magic that makes it all possible.

Most of the park's attractions are outdoors, so make sure to dress appropriately.
