Tour Summary

Located next door to Universal Studios Orlando, Islands of Adventure offers thrills and excitement for even the youngest members of the family. Whether your kids are into comic books, dinosaurs, swashbuckling adventures or even Harry Potter, the park provides a range of choices in child-size packages. A former employee will act as your personal guide, teaching you to navigate the park like a pro, choose the best attractions, balance the needs of kids of all ages and avoid family meltdowns. You will also learn insider secrets and tips on saving money and maximizing your enjoyment. This tour focuses on young children: for a cross-generational tour, try the “Family Trip to Universal’s Islands of Adventure.”

Introduction

Located next door to Universal Studios Orlando, Universal's Islands of Adventure is a radical departure from its neighbor's movie theme.

At Islands of Adventure, you will enter into the world of childhood dreams and fantasy.

The park has developed an unfair reputation as appealing only to thrill-seeking teens, but this is simply not the case.

Seuss Landing offers children the chance to enter into the world of the Cat in the Hat and other beloved Dr. Seuss books.

Other lands focus on Marvel Super Heroes,

the Sunday comics

and even the swashbuckling adventures of ancient lore.

In this tour, a former employee will act as your personal guide, helping you choose the attractions that are right for your kids.

You will discover hidden spots for much-needed rest breaks

and receive advice on balancing the needs of family members of all ages.

You will learn tips and tricks on saving money, maximizing your time and avoiding family meltdowns.

Along the way, we will share insider secrets not always revealed to the general public.
