Introduction

At Disney's Hollywood Studios, you can be a star as you enter the Golden Age of Hollywood.

Whether you choose to go behind the scenes on the Backstage Studio Tour,

enjoy the exciting stunt work at the Indiana Jones Epic Stunt Spectacular,

or enter scenes from your favorite films in
the Great Movie Ride,

almost every attraction is carefully designed for the entire family.

Small children, adults, and grandparents alike can indulge their dreams of stardom or simply kick back and enjoy the show.

Although the park is fairly small, there are hidden surprises around every corner.

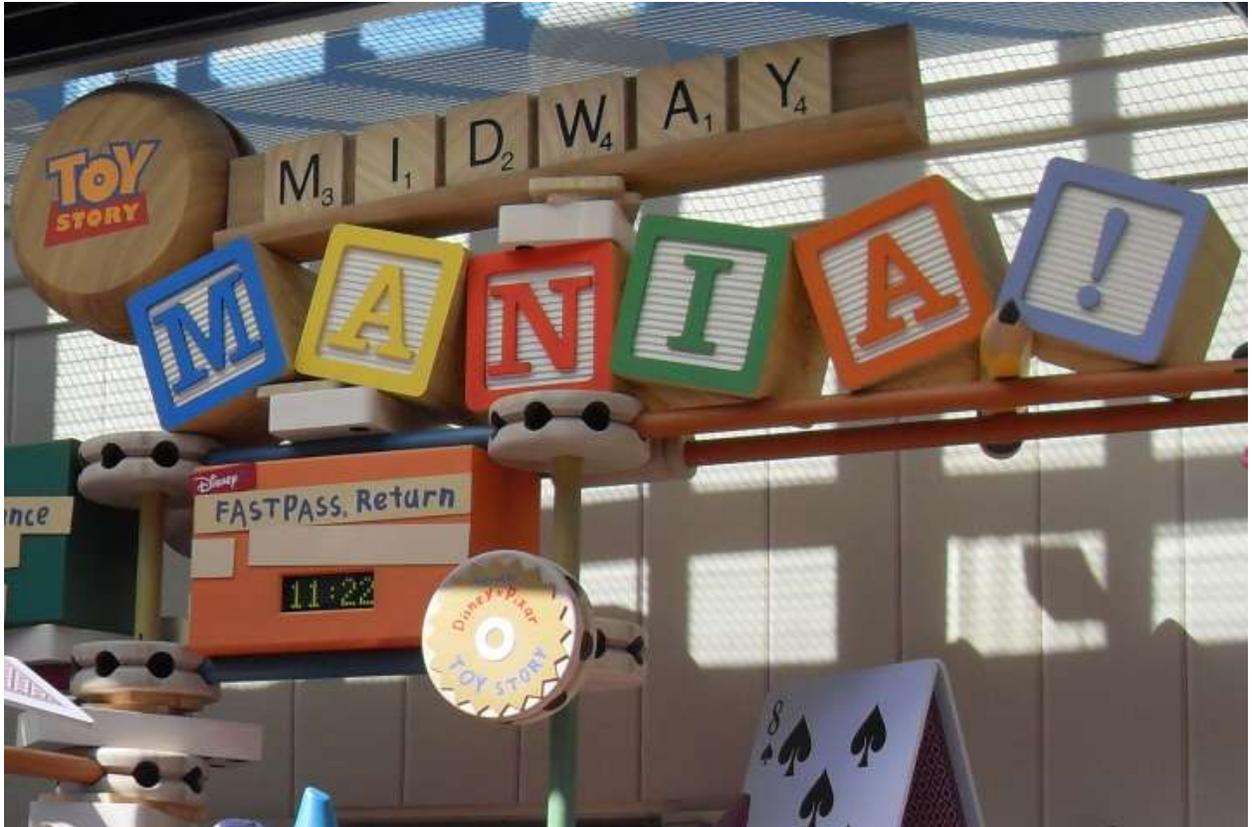

Many of these are subtle, and easily missed by first-time visitors.

In this tour, a former Cast Member--Disney-speak for employee--will act as your personal guide, teaching you to navigate the park like a pro.

You will learn tips and tricks for choosing the attractions that are best for your family,

balancing the needs of vastly different age groups, and maximizing your time.

Along the way, you will learn insider secrets not always revealed to the general public.
