## Tour Summary

Like magic words, say Clearwater Beach three times and feel your distracted mind drift away with the gentle waves lapping at the shore. But Clearwater Beach sparkles with activity too. Looking for deep-sea fishing? Parasailing? Dolphin sighting? Wave-riding? Surfing? Bird watching? You can do it all. Got kids? Challenge them to attack the giant inflatable sea monster slides at Pier 60. Oh! Did I mention the nightly Sunset Festival at Pier 60? Heck, you can even let the family dog run loose at the Sand Key dog romp. This tour covers everything, so you'll get the most out of your Clearwater Beach vacation!

# Introduction

Welcome to sparkling Clearwater Beach!

This tour encompasses the Marine Aquarium, the Municipal Marina, Pier 60, North and South Beach, and Sand Key. Each area offers miles of exciting beach fun.

As you drive over the beautiful Memorial Causeway, look for sailboats and charter boats on the sparkling water.

Learn more about the Clearwater Marine Aquarium, home of Winter, the celebrity dolphin.

Tired of driving? Park the car and take the Jolley Trolley to secluded North Beach.

The kids won't want to leave Pier 60 Park when they see the beach-themed playground.

Stay all day and enjoy the free sunset festival that includes local crafters and performers.

Just across the street at the Municipal Marina, it's "all aboard!" for just about any water activity you can imagine.

At South Beach, swim, play volleyball, body surf, build a sandcastle, or simply take a walk on the beach.

Stroll the promenade and check out the souvenir and ice cream shops along the way.

For the naturalist in the family, visit Sand Key Park.

Rent a kayak at the Sailing Center across from the entrance to Sand Key Park.
