Tour Summary

Well known for its natural beauty, Costa Rica is also graced with an attractive capital city, located in a tropical valley between forested volcanic ranges. San Jose's comfortable climate ensures verdant green parks accented with colorful exotic flowers, and encourages walks along vibrant pedestrian thoroughfares. This Central American gem showcases museums with pre-Colombian art, lively markets, and a beautiful theater next to a charming, friendly plaza. Quaint cafes beckon with fresh brewed Costa Rican coffee. Exciting attractions such as an active volcano and tropical rain forest are just outside the city.
