Tour Summary

Tian'anmen Square and the Forbidden City are usually the first sights that travelers visit, and for good reason: they are the heart and soul of Beijing. Tian'anmen is one of the largest public squares in the world... it is amazing! Next, enjoy the Forbidden City, China's best-preserved architectural site and one of the top five palaces in the world. After that, you'll cross the street to Jingshan Park, a former imperial garden, and then climb the man-made Coal Hill for stunning views of the Forbidden City from above.
